Welcome to TRICARE Online
TRICARE Online (TOL) is a web site that continues to evolve as new tools emerge that are of benefit to our users. Our most recent effort is the introduction of the new face of TOL, with a complete update of the web site. As we continue to grow, we expect some problems to surface. It is our mission to continually look for ways to improve upon how the Military Health System (MHS) takes care of its own.
If you are a user within the Continental United States (CONUS) and experience any problems while using this website, have any questions or suggestions regarding TRICARE Online, please do not hesitate to call Customer Service at 1-800-600-9332 (CONUS), (210) 767-5250 (Direct). Agents are available 24 hours a day to assist you. If you are a user Outside of the Continental United States (OCONUS) please refer to the following link:

MANDATORY DOD NOTICE AND CONSENT BANNER
You are accessing a U.S. Government (USG) Information System (IS) that is provided for USG-authorized use only.
By using this IS (which includes any device attached to this IS), you consent to the following conditions:
The USG routinely intercepts and monitors communications on this IS for purposes including, but not limited to, penetration testing, COMSEC monitoring, network operations and defense, personnel misconduct (PM), law enforcement (LE), and counterintelligence (CI) investigations.
At any time, the USG may inspect and seize data stored on this IS.
Communications using, or data stored on, this IS are not private, are subject to routine monitoring, interception, and search, and may be disclosed or used for any USG-authorized purpose.
This IS includes security measures (e.g., authentication and access controls) to protect USG interests not for your personal benefit or privacy.
Notwithstanding the above, using this IS does not constitute consent to PM, LE or CI investigative searching or monitoring of the content of privileged communications, or work product, related to personal representation or services by attorneys, psychotherapists, or clergy, and their assistants. Such communications and work product are private and confidential. See User Agreement for details.
Privacy Act Warning
(Applies to any system accessed by this connection which contains individual data subject to protection by the Privacy Act of 1974)
Personally Identifiable Information contained in this system is subject to the 5 U.S.C. 552a, as amended, the Privacy Act of 1974 and DoD 5400.11-R, "Department of Defense Privacy Program." Personally Identifiable Information contained in this system may be used only by authorized persons in the conduct of official business. Any individual responsible for unauthorized disclosure or misuse of personal information may be subject to a fine of up to $5000. Executive Order 9397 authorizes solicitation and use of social security numbers (SSNs) as a numerical identifier for federal personnel that are identified in most federal record systems.
HIPAA Warning
(Applies to any system accessed by this connection which contains data related to the health of an individual)
Protected Health Information in this system is subject to Public Law 104-191, the Health Insurance Portability and Accountability Act of 1996 and the Final Privacy Rule and Final Security Rule codified in 45 C.F.R. § 160 and 164, DoD 6025.18-R, "DoD Health Information Privacy Regulation" and DoD 8580.02-R, "DoD Health Information Security Regulation." Information in this system may only be used and/or disclosed in strict conformance with these authorities. The Military Health System (MHS) is required to, and will apply, appropriate sanctions against individuals who fail to comply with its privacy policies and procedures.
